December 26 to January 1

Good evening leaders

In my list of reminders in my earlier email, I forgot something! Please remind your leaders and chaperones to bring along a **sleeping bag, foam mat and pillow**. There will be five people assigned to each room, and only bed space for four. That means, someone gets to volunteer to sleep on the floor. The hotel does not have enough cots for each room. So, to help keep costs down, we bring our own stuff. You can be creative in your rooms to determine who gets the opportunity to sleep on the floor!

If **each leader and chaperone** brings along a set of bedding (sleeping bag, foam and pillow), it will work out just fine!

Thanks!

Merry Christmas!
